## IN APPRECIATION

He's worked and he's worried  
And helped us a lot  
And has always stopped us  
From just "going to pot."

We'll remember our "Kach"  
For those little things, too  
His pipe and the smile  
He would flash bright and true.

We'll remember his voice  
Echoing down the hall  
"Amo, amas, amat"  
With his Latin and all.

But we'll remember most  
The respect he has won  
And the kind, friendly interest  
He's showed everyone.

Here's to Mr. Kachur,  
A mighty fine friend,  
Who's stood by our class  
From beginning to end.

# SCHOOL BOARD LOOKS AHEAD

Our school board is facing the problem of an expanding community and an expanding school. The members of the board are looking into the future and working on plans for a new high school. They have a long, hard pull ahead of them, but we have every confidence that they will keep up the good work they have been doing.

The Class of '54 is the first class of M. N. to graduate from an accredited high school, and so we especially want to thank our school board for all it has done for us.

## EDITING OUR "MEMORIES"

The staff this year have tried to make our Senior Yearbook of 1953 the best possible. The many hours we have spent on our "MEMORIES" will mean hours in future years when we will recall our friendships, classes, teachers, activities, and the never-to-be-forgotten days of our youth.

## SUPERVISING PRINCIPAL'S MESSAGE

The boys and girls who graduate from high school this June of 1954 are facing a troubled world. On all sides we hear people talking about an imminent war and the strong probability of a coming business recession which will hamper employment and place a bar in the path of business progress. The boys are confronted by the draft and with the resultant uncertainties that it causes. All of which adds up to the fact that young people today must face up to this condition courageously and not be daunted by situations over which they have no control.

I am reminded of the great general in World War I who, when he saw his retreat was cut off, declared the only action to take was to go forward and that is just what he did. High school graduates must follow the same course. Remember that basic facts and conditions never change. A good character and hard work will get results at all times. The weak person will try to justify his lack of progress by bringing up the handicaps which the threatening condition of the world may impose. The strong person fixes his eyes on the goal ahead and disregards the hindrances which may beset him.

Make a resolve that you will not be dismayed by the present uncertainties with which we are all faced, and that you will attack every task and problem which you meet with your very best ability. If you do so, the rewards which the future holds for you will be considerably increased.

Supervising Principal

Flash! There goes another busy Senior, probably hurrying off to meet one of the responsibilities of which the class of '54 has many.

Among the sixty-one senior faces we find three new ones who were gladly welcomed as assets to the class, Stan Short, Shirley Werkheiser, and Thomas Macdonald.

This year's class was complimented on the Hallowe'en Party, Senior Mother-Faculty Tea, Senior Ball, and many other affairs.

As we look back at our days at Marple-Newtown, we shall always remember the help we had from our terrific advisors, Mr. Kachur and Mr. Allison.

Graduating from Marple-Newtown we leave our good luck, good times, and best wishes to the future Seniors.

Our football team had a good season this year. One of the highlights of the season was the 13-13 tie with the league champions, Nether Providence. As usual, our team was hampered by injuries. Bob Grete, our first string fullback, could not play several games. Jerry Renner our left halfback, received an arm injury which slowed him down in one of the games.

This year the annual football banquet was held on December 4 in the school gym. Dave Low received the Tri-Community sportsmanship award. The Bill Pritchard lineman of the year award went to Jack Malin. Captain Tom Moore received the Joseph T. Mullray award as the most valuable player. This year seven senior lettermen were presented with gold footballs.

This year the Marple-Newtown Junior High Varsity Football Team, under Coach Pittman's guidance, had one of its best records in the history of the school. The competition led to an excellent team spirit. In several games the boys came from behind to win or tie. After losing in the last minute of play to Yeadon, the team won the next four games and tied in their last contest. The players elected Davis Wilmore captain and Robert Harris co-captain.

# WAIT TILL THEY GROW UP

The boys on this year's Pee Wee Team will be carrying the ball for Marple-Newtown in future years. The experience they have gained this year will be of great value in years to come. The boys will be responsible for keeping up or bettering the athletic record of this school.

The varsity captain and Miller-Harvey award winner was Frannie Hottenstein. She and the others on the team worked together to hold up the school spirit, which they did very well. There were five silver hockey sticks given to the senior girls on the varsity team. The awards were presented to the girls at the football banquet on December 4.

"Six laps, girls! Get going!" That was the familiar cry that started our daily hockey practices. Although our record didn't show too many wins, we were out there fighting under the direction of our swell coaches, Mrs. McHugh and Mrs. Morton.

In the middle of our season, we went to the Merion Cricket Club and practiced with members of the Philadelphia Field Hockey Association. We also had a practice game with Ridley Township.

# OUT OF BOUNDS

This year the boys' Varsity basketball team got off to a bad start with several injuries in the first three games, but the team picked itself up and got going. In the last six games, the boys more than held their own on the court.

Frank Mahan proved himself an outstanding player as well as a good captain. Lettermen who really gave the team a boost were Cubbler, Feldkircher, Lutton, Moore, Renner, and Shaw.

## JUNIOR HIGH BOYS SHOW SPIRIT

The boys on the Junior High Varsity team showed others the M. N. spirit in their games this year. In the last league game, Darby, tied for championship of the league, was given a rough time by our boys. In the tournament game with Smedley, M. N. was out-classed; but an impartial crowd applauded our boys for their good, clean playing on the floor.

Harris was the team captain and high scorer. His co-captain was Gillmor.

## “ONWARD TO VICTORY”

Every Wednesday and Friday morning you could hear the shouts of the cheerleaders echo through the gym as they practiced for Saturday's game. Captained by Lynne Robertson, they worked hard throughout the year and stayed behind our boys through victory and defeat.

The cheerleaders tried very hard to boost the spirit of everyone in the school by giving pep rallies before each home game. By coming out to a P.T.A. meeting and teaching the cheers, they also tried to get the support of the parents.

Much thanks goes to Mrs. Duncan and to all those who helped make our seasons successful.

# SIS! BOOM! AH!

The Junior High cheerleaders have certainly helped to make our Junior High players victorious.

Although they aren't praised as much as the Senior High cheerleaders, they have gained good experience for future years. They are under the able leadership of Captain Kathy Manges.

## NEW VENTURE PAID OFF

This year's band was a great success. Our new uniforms, the result of much hard work, drew crowds to all the football games. We helped to finance our uniforms with a Tag Day at which we earned more than \$1000.

Mr. Doran, our leader, has done an excellent job. He has trained the band and organized community support for it.

The school is proud of its uniformed band, and the band is proud to serve the school.

Majorette Captain:

# MUSIC MAKERS

The chorus this year has served M.N. well. It has sung in a Christmas program, the Spring Concert, and several assembly programs at school. It has also sung in programs for the community.

The chorus is large, and many of its members are underclassmen who will keep up the good work in the coming years. Thanks is owed to Mr. Oberholtzer, whose able directing made the good singing of the chorus possible.

## ACTIVE STUDENT COUNCIL

Our Student Council has been very active in school affairs this year. As one result of the fine work done by this group, our football schedule was improved by adding larger schools to the list of our opponents.

Although this is his first year at Marple-Newtown, Mr. Miller stepped into the place vacated by Mr. Trawney last year and is taking over like a veteran advisor.

The officers elected by the Student Council are Mark Evert, President; Robert Montgomery, Vice-President; Patricia Moran, Secretary; and Terry Moore, Treasurer.

# IN M. N. NEARLY EVERYBODY READS THE MAR-NEWS

## TRI-HI-Y

This year the Tri-Hi-Y was made up of fifty girls from grades ten to twelve. After initiation which was held at Ned Nedurian's, their first project was selling chrysanthemums with the school colors attached for the Thanksgiving game.

On December 22nd the girls visited the Chester Day Nursery, taking Santa Claus and a pack of gifts with them. They also had refreshments, and everyone came home with a little bit more Christmas spirit.

They sold Easter eggs again this year, the profits going toward the annual Mother-Daughter banquet.

All in all, the Tri-Hi-Y had a very successful and enjoyable year.

# HI-Y

The Hi-Y, a young men's Christian organization dedicated to helping others, did just that this year. It organized parties and dances in the school. Orange and black school pencils sold by the Hi-Y became a familiar sight throughout the school.

Two of the boys represented M.N. in a Hi-Y conference of Bethlehem, Pennsylvania. They were a few of the men who came from miles around to enjoy a fun-packed weekend.

## “HAIL TO THE VARSITY.....”

M.N.'s Varsity Club is made up of those who have earned their varsity letter as players or managers in one or more of the school sports

The club was formed just this year with Mr. Nye as a willing and able director. It is primarily a service club working in the interest of the school. M.N. can expect great things of the boys in the near and distant future.

# STURDY AND STAUNCH THEY STAND

M. N's monitors live dangerously! No one can deny that they have had a tough job directing the traffic that jammed our halls this year. But the monitors have done such a good job at keeping order in the halls that students have had an occasionally good chance of coming out alive from the between-period rush.

An eventful night at M.N. was November 20, 1953, for it marked the successful presentation of our school play, "Crime Photographer". The great success of the play is largely due to the producer, Mr. Miller, and his assistant, Miss Lonergan. Yes, Mr. Miller can now get some sleep!

Hats off to Dave Low who stepped into the role of butler at the last moment, replacing the injured Bob Grete. Thanks also to Mr. Benevit, the stage crew, prompters, and all others who contributed their time and talents to the success of the production.

# OUT TO TOP LAST YEAR'S RECORD

For the past two years the debating team has won the championship in its league. The other teams debating with us are Ridley Township, Nether Providence, and Media. This year's team tried to repeat the fine record and gain permanent possession of the Media Rotary Club trophy. The subject for debate was, Resolved: That the President of the United States Should Be Elected by the Direct Vote of the People. The two speakers for the affirmative team were Carol Stuhlmuller and Arlene Kelly; the two speakers for the negative, John Gillmor and Arthur Wright.
